TILTON PUBLIC INFORMATIONAL MEETING
PLANNED RECONSTRUCTION OF 1,500 FEET OF ROUTE 3/11

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Thursday, August 1, 2002 in Tilton to review and discuss the planned reconstruction of approximately 1,500 feet of Route 3/11.

This project begins just east of the existing Shop and Save/Rite Aid Drive intersection, at approximately the Franklin/Tilton municipal boundary, and continues easterly to near the Dairy Queen.

The project will also realign the Clark Road intersection with Route 3/11 and reconstruct Clark Road from Route 3/11 northerly approximately 500 feet. The proposal includes the realignment of the entrance to the Town Line Plaza opposite the new Clark Road intersection, and the signalizing of the new Route 3/11, Clark Road, Town Line Plaza intersection.

The August 1 public meeting to display the current concept and obtain input will be held at the Tilton Town Hall, 257 Main Street in Tilton, NH. It will begin at 7:00 pm and be followed by a question and comment period.
